

3 soverom Villa til salgs i Ciudad Quesada, Alicante

385.000€

It is a pleasure to present this beautiful detached villa located in the heart of Ciudad Quesada. A ten minute walk from the main street, where you will find a wide range of services and varied gastronomy, the property complements the easy access to local amenities and the privacy that characterises a residential area. Set on a plot of 1050m², this 166m² house is built on one level, with three bedrooms and two bathrooms, as well as a spacious living room, dining room and kitchen. The large swimming pool deserves a special mention, surrounded by a garden with a wooded area that ensures relaxation and enjoyment of the unbeatable climate that the Costa Blanca has to offer. For year-round comfort, the glazed terrace overlooking the pool offers an ideal environment to enjoy the picturesque surroundings. With regard to the space for cars and work area, there is a large garage in the main house, a shed, and a work area separate from the house that can also be used as a covered garage for two small cars. The property has a large basement, which can be used to organise your belongings or adapted for a wine cellar. Whether you are looking for a permanent residence or a holiday home, this Ciudad Quesada villa offers the perfect blend of practicality and leisure in a charming setting.
