**435.000€**

The design of the exclusive apartments in Las Colinas Golf Club has been specially conceived to enjoy the Mediterranean lifestyle and offers the highest standards of quality.

The contemporary, straight-lined architecture blends perfectly with the cobblestone walls of the façade that frame the large windows of the rooms. The interior of the apartments open-up to the outside, reducing any visual obstacles to a minimum to guarantee views of the sea or the Mediterranean forest and making a more functional home.

The large south-facing cascading terraces are bathed in the warmth of the Mediterranean light and are the main protagonists of the Kumquat Community.

Its communal areas have gardens and a large communal swimming pool.
