

3 soverom Leilighet til salgs i Alcantarilla, Murcia

105.000€

A special home for special clients, unique in its typology, ideal in its location and with multiple possibilities for a family.

Located in the Campoamor neighborhood in Alcantarilla, one step away from all services

This first floor is for sale, without an elevator, but very comfortable to access via the stairs of the building, with a balcony in front, a laundry room and a balcony in the back, with lots of light and great exterior ventilation, which is also sold with the Below, just below the house, where we find 2 parking spaces, a workshop area and an open-plan room, to be finished to the buyer's liking.

It also has a huge patio with a barbecue area and another possible room next to the barbecue area, ideal for setting up a games room, storage room, warehouse, cinema room, ...

The house consists of a very square living room, main room with balcony, 2 more double bedrooms, a beautiful bathroom with a built-in towel rack, kitchen with furniture and appliances, laundry patio, ...

The house is in perfect condition, both plumbing, electricity, exterior and interior carpentry.

If you think this could be your ideal home, don't waste your time and contact us to visit it. It will surprise you.
