Part of our exclusive collection

Casa Anton is a charming village dwelling located in the picturesque Torvizcón, in the La Alpujarra region. This house is characterized by its distinctive rustic style and deep-rooted tradition in Alpujarreña architecture, making it an authentic and welcoming place.

The house is distributed across three floors, each with its own charm and functionality. On the main floor, you'll find a spacious living room that seamlessly integrates with the kitchen and dining area, creating an ideal environment for socializing and entertainment.

On the first floor, a hallway serves as a small office, providing a peaceful and cozy space for work or relaxation. Furthermore, from this floor, you have access to the two bedrooms the house offers, along with a bathroom, ensuring comfort and privacy.

The terrace on the third floor opens up to the village of Torvizcón, offering breathtaking views of the majestic Sierra Nevada mountains. This outdoor space is perfect for enjoying the open air, admiring the natural landscapes, and relaxing under the sun or stars.

On the ground floor of the house, there is a versatile room that could be used as a study, guest accommodation, or even as a workshop for pursuing your favorite hobbies. This flexible area adds value to the property as it caters to various needs and purposes.
