

4 soverom Villa til salgs i Mutxamel, Alicante

345.000€

Amazing property 2 kilometers from the town of Mutxamel and only 6 km from the beach. At the exit of Mutxamel towards Jijona. Recently renovated with a modern, functional design and with exquisite taste. It has all the details to enter to live without the need to modify anything in the house.

4 double bedrooms, 3 bathrooms, renovated property, equipped kitchen, white lacquered interior carpentry, southeast orientation, flooring, PVC / climalit exterior carpentry.

The plot, of 1450 m², has several recreation areas, parking, several terraces, a large, beautiful pool with internal access with steps. Other areas to highlight is the barbecue with a large pergola, with garden furniture (chill out), fruit trees and a gym installed in the back.

As for the house, we enter and find a sober dining room, then another living room with an open dining room and adjacent to an elegant kitchen, with a modern design and fully functional. It consists of three double bedrooms (one of them ensuite) and another full bathroom. The chalet has several different exits to the plot.
