Each building has 8 spacious apartments over three floors (ground, first and penthouse), two of these have 2 bedrooms and the rest have 3 bedrooms, and 2 bathrooms.

The interior of the homes is based on the "open plan" and "total living" concepts, giving priority to a spacious living room which leads to a large open terrace, both fully integrated into the surrounding corn oak meadows and making the most of the predominantly southern aspect and the views of the golf course and the sea.

The project already has a construction licence and building has started on the first phase of 24 homes and a communal pool.
