

## 1 soverom Leilighet til salgs i Santa Eulalia, Jaén

270.000€

This cosy one bedroom penthouse apartment is attractive for anybody that wants a little escape to the island of Ibiza. Just recently refurbished, this apartment has a lot to offer.

Situated in the north of the island from where you can reach the rustic Ibiza in a heartbeat, this apartment is styled and refurbished with the newest materials in a very modern style. It is located on the second and last floor of a building without lift.

It offers a living, an open plan kitchen that comes fully furnished and one double bedroom with built-in cupboards. Of course it has a nice bathroom with shower.

It comes with a terrace that is completely covered and extend your lifestyle to the outdoors in the warm climate of the island Ibiza.

Furthermore the apartment is air-conditioned with hot and cold air so it can be used in the winter as well.

With very low maintenance costs, this could be an opportunity for a young couple or as a starter apartment to live here the whole year round.

For the ones that are seeking a quiet retreat for many holidays and weekend escapes this could be ideal. Just at two minutes distance from the beach this makes an excellent retreat.
