The garage offers ample space to park 2 cars or you could also park 1 car and use the rest of the space for storage.

On the right of the driveway an arched wrought iron gate opens into a large tiled patio offering ample space for seating, relaxing and entertaining. There are lovely views from the pool area over the surrounding mountain ranges. On the side of the villa there is also a low maintenance garden area laid to gravel which would be ideal to create an outside bar and kitchen area if necessary.
