

6 soverom Villa til salgs i Sant Josep de Sa Talaia (Es Cubells), Ibiza

16.200.000€

Description

Located in the town of Es Cubells with 180 degree panoramic views over the sea, Formentera, Porroig, the salt flat's and the mountains , lies this majestic Palace

The architecture is based on the mediterranean tradition ; the successive arches connect history , from Mesopotamia to Rome to the present ; in the Middle Ages , such a building element experienced high technical development.

In the main house there is the master bedroom and complete bathroom and access to the outdoor bathroom. There is also acces to a spacious roof terrace.

The ground floor of the tower can be reached from the outside , which now serves as an office.

Below the pool there are 2 separate double bedrooms , both with en-suite bathrooms

Next to the pool is the 4th double bedroom with en-suite bathroom

Indoors we can find some unique artwork of great value :

A mudejar coffered ceiling and its skylight

A collection of coptic crosses

A pair of 18th-century wardrobes from the reign of Philip V the first Bourbon king in Spain

A chest collection , which includes a piece listed in the Patrimonio Artístico Nacional (Spanish artistic heritage)
