

3 soverom Villa til salgs i Monte Lope Alvarez, Jaén

39.000€

NOW REDUCED.....This is a great bungalow just ready to move into. The location is down a very quiet street with a park at the end so for a young family this is good. Off the entrance hall are 2 double bedrooms with door to the cosy sitting room with working fireplace. Off this is the 3rd double bedroom and door to the inner covered patio with shower room and kitchen. This also has a working fireplace and very large walk in pantry. The kitchen just needs updating. In the patio is a utility area too. There is a door to a small outside patio and store room with a door to the side alley. It would be possible to create a roof terrace with access from this patio. The village is charming and has many facilities plus a bus service to Martos. This is a good property for renting out, both long term and short term.
