

3 soverom Leilighet til salgs i Martos, Jaén
70.000€

This apartment is in one of the best locations in this popular town and would make a great home for anyone wanting to work there or even for renting out to locals. Its located on the 1st floor. The building is not far from the town hall at the top of the town so the perfect location. There are 3 bedrooms and a full bathroom, fully fitted kitchen with modern appliances plus a really nice sitting room. Another bonus is it also has its own terrace which is very private. This is a great apartment for the price in this town and could be a good investment if you wish to rent it out. Martos has everything - loads of bars and restaurants, local shops, supermarkets, theatre, parque and a great outdoor swimming pool. so just perfect for living full time, but this would be a great apartment for using for holidays..great lock up and leave and you can walk to everything.
