

4 soverom Villa til salgs i Monte Lope Alvarez, Jaén

49.000€

This is a really nice bungalow in this popular village that we know for its wide flat streets. This property is in excellent condition and is ideal as a holiday home or living there full time. The village is surrounded by open countryside full of olive trees and it has its own bakery, local shops and bars, plus a playground area for children. The busy town of Martos is just 15 mins drive where you find everything you need and there is a local bus service from this village to Martos too,

So this property has 3 bedrooms, sitting room, fitted kitchen and bathroom. Out the back there are outbuildings where there is another bedroom plus a kitchen and utility area so this could be good as extra accommodation for family etc, or you can take part of this building down and extend the patio with room then for a pool. The house has a new roof so there is no work required other than cosmetic updating to your own taste. You can park right outside the property.
