

## 3 soverom Villa til salgs i Monte Lope Alvarez, Jaén

55.000€

If you are looking for a property that's ready to move into with easy parking etc then this is a good one to check out. It's a bungalow located in the popular village of Monte Lope well known for its flat streets and surrounded by open countryside. This one has a really nice private patio area out the back too with room for a plunge pool and it has a storeroom there too with 2 floors. The house itself has 3 bedrooms, a sitting room, fitted kitchen and bathroom plus access to the outside patio. If you do want to make any changes it will mainly be cosmetic updating but as it stands it's perfectly habitable. The plot is about 145sqm and build size of the house is 140sqm. The village has full amenities all within walking of the house and the larger town of Martos is just a 15 min drive. This is a real bargain!
