

3 soverom Rekkehus til salgs i Martos, Jaén

45.000€

This is an immaculate town house in a great location in this town as its on a wide flat street and has the bonus of its own garage too. This would work well as a buy to let too but ideal as a family home. So on the ground floor there is a large living room, a fitted kitchen and bathroom. Then upstairs on the 1st floor there are 3 double bedrooms. Its being sold fully furnished so its ready to move into and of course ready to rent out too. Great garage! The house has aircon fitted on both floors too. Its a property that will be snapped up quickly so a really good investment...just has to be seen.
