

3 soverom Grottehuset til salgs i Galera, Granada

45.000€

Cueva antonio galera

Lovely, quirky cave situated on a hillside above Galera village, 10 min walk to amenities. This cave house is set on two storeys with a terrace and has great mountain views. Downstairs is a front room that could be a living room or office and a back room that could be a bedroom or large storage space. Upstairs is a central dining or living room area with a fireplace, surrounded by 2 nice-sized bedrooms (one with ensuite bathroom), kitchen, and a cosy sitting room that looks out onto the terrace. This property is already liveable but needs some updating. Outside is a large, communal patio, with a covered space for table and chairs, and a parking space that is shared with neighbours. A private parking area is down below the patio (not pictured). This is a charming property that is well priced.
