

3 soverom Leilighet til salgs i Calpe, Alicante

595.000€

Saeta Camporosso Calpe is a small-scale new-build project of only 26 3-bedroom apartments, the apartment is located on the 13th floor. The location is unique at the Arenal beach (250m) with numerous shops, restaurants and sports facilities in the immediate vicinity. The boutique project catches the eye because of its unique design. The apartment has a spacious terrace of 38m². Only high-quality materials are used, such as fitted kitchens with Bosch/Siemens appliances and the bathrooms have underfloor heating as standard. The communal areas are as beautiful and complete as the project itself and include a swimming pool, children's pool, solarium, playground, padel and fitness. The price includes underground parking and storage. Delivery expected in March 2024. Be quick, because this is a unique opportunity!
