

3 soverom Villa til salgs i Ciudad Quesada, Alicante

215.000€

We are very pleased to bring to the market this unique opportunity to buy this great Detached Villa with a stunning garden and a very well cared for house. The property is divided into two areas on the upper level you have the main house with a good sized bright lounge diner, two bright double bedrooms a modern fully kitchen and a family bathroom. All the rooms have hot and cold A/C and double glazing. From the lounge you find a lovely courtyard then you go up the stairs to the large roof terrace where you will also find a small turret room. On the ground floor there is a great self contained apartment with a lounge area a double bedroom a bathroom and a kitchen. Viewing is highly recommended.
