

2 soverom Villa til salgs i San Antonio, Ibiza

665.000€

Charming rustic house near Ses Paises in Ibiza.

This house is basically very well built but could profit from an update. Although it has a perfectly functioning kitchen, is air-conditioned, and has aluminum double-glazed windows, modernization is wishful. The house could be a perfect starter for a small family seeking an opportunity to create a home with its own private garden in a quiet area.

With two bedrooms and a family bathroom, this can be a wonderful property once it's lifted into the 22 century. Completely fenced in you could create a nice garden space or relaxing areas.

This rustic house is an excellent investment opportunity for owner occupation or remodeling and adapting to the new owner's needs and tastes. Contact us today and discover how you can realize your vision of owning a home in Ibiza!
