Design 5 is a lovely modern 2-bed villa with large open spaces and lots of light. Downstairs it has a large lounge, a dining area, a kitchen all overlooking the covered terrace and pool area. There is also a toilet downstairs. Upstairs there is a large master bedroom with an en-suite bathroom, a guest bedroom and bathroom. Both bedrooms lead onto a very nice terrace. The 6 x 3 pool included is a saltwater pool that reduces maintenance costs and is much more natural for swimming.

THIS HOUSE HAS NOT BEEN BUILT YET, we build it especially for you according to your wishes and tastes, designed thinking about the Mediterranean lifestyle and can be modified to your liking. Our designs are for superior quality, custom built, modern villas where space and light play an important part of the design and living experience with clean, simple lines and lots of usable outside space. The design object is to incorporate the pool and terraces into the living area making the homes ideal for Mediterranean Living.

These villas will only be built on request with a construction time of about 10-12 months.
