

6 soverom Rekkehus til salgs i Bobadilla de Alcaudete, Jaén

120.000€

This spacious 6 bedroom, 3 bathroom, 238m² build townhouse is situated in Bobadilla, 15 mins from Alcaudete and Martos, in the Jaen province of Andalucia, Spain, located in a quiet cul de sac with parking and lovely views. Enter through the front door into the large sitting room with an en suite ground floor bedroom on the left and ahead there is doorway into the dining room with stairs right to first floor and the kitchen on the left. From the dining area you can go outside to the covered patio and further on to the raised bed garden and to the extreme left there is an entrance to the garage. On the left of the garden there are two storage rooms and a traditional kitchen with large fireplace. Also in this block is an outside toilet with wash hand basin and above this is the terrace and another room for more storage or a craft room. Back inside the house on the first floor there are a further five bedrooms with nice views or back patio views and the main bathroom. This would make a great B&B and with a wedding venue in the town you'd have a good start as the venue does not have many rooms on site.
