53.000€

This 3 bedroom apartment property in Martos, in the Jaen province of Andalucia, Spain, is on the outskirts yet close to the city centre with easy access to the main road to Jaen city or Cordoba. It is an easy to maintain property with three bedrooms and one bathroom. Located on the second floor and has views from the living room and balcony to Martos Hill at the front, the back is also very light and not overlooked at all. The main door on a one-way street opens to a passageway and the staircase with easy going stairs which lead up to the door to the flat. A short hallway with the kitchen and its utility room on the left, the light and airy living room is ahead and to the left is the shower room and a large, master bedroom. Ahead is another good sized bedroom and to the right with a window on the front a third bedroom or office. The flat is in good condition but would benefit from some modernisation.
