These Penthouses will be located at the front of this project and will therefore have a beautiful sea view. Furthermore, these Penthouses are delivered with a beautifully furnished kitchen with kitchen appliances included, beautifully furnished bathrooms (shower screens included), three spacious bedrooms, with built-in wardrobes, electric shutters and conduction air conditioning (hot-cold). All these apartments and penthouses also have access to the communal solarium on the roof of the complex and can use the communal area and the swimming pool with beautiful views.

The location is of course ideal, right on the beach where you can also find several bars and restaurants and there is also a supermarket nearby so you never have to go far for groceries. The location is also ideal for golf enthusiasts as you can find 5 golf resorts in the area, the nearest of which is just a 17-minute drive away and you can also find a Padel club within an 11-minute drive.
