

2 soverom Leilighet til salgs i Javea, Alicante

233.000€

One of the most sought and requested areas of Jávea, the Arenal area. We find this two-bedroom apartment, a stone's throw from the beach, and all the amenities that the area of Arenal offers. It offers us some views of the sea, as well as the wonderful Montgó and Cabo de San Antonio. The property offers an entrance hall, a spacious kitchen with completely new furniture, a security entrance door, a living-dining room with direct access to the large balcony with views of the Montgó and the sea, a wonderful space to enjoy the Jávea sunsets. The urbanization has unassigned community parking, a space for the community garden, access ramp for people with mobility problems. To highlight the total reform of plumbing and electricity. Property that has a lot of potential for investors or as a second residence.
