We offer this duplex just 230 meters from Villanaritos beach. The house on the outside has a small landing that leads to a fairly large living room. At the back is the kitchen, which is independent and fully furnished and equipped. From the kitchen we go to a patio that is covered and where the washing machine, a washing sink and the heater are located. From the patio we go to a full bathroom. In the upper part we have 2 large bedrooms, one of them with a built-in wardrobe and views of the street. There is also a very spacious bathroom that has been completely renovated, both in terms of construction, electricity and plumbing. A home that does not lack anything and where you just have to enter and enjoy.
