

5 soverom Villa til salgs i Altea, Alicante

1.100.000€

Discover this grand two-story villa nestled within a prestigious urbanization in Altea la Vieja.

Situated on a sprawling private plot of over 2,000 square meters, the property has complete fencing and features two automated gates, providing convenient access to the garages or the main entrance.

The main living room is a stunning showcase of design, adorned with expansive floor-to-ceiling windows that seamlessly connect to the inviting swimming pool area.

From this vantage point, you can savor breathtaking vistas of the meticulously landscaped garden, the sparkling sea, and the charming town of Altea.

On the ground floor, you'll find an additional spacious living area, perfectly adaptable for leisure and recreation, making it an ideal space for games and sports. With a total of five bedrooms, three on the upper level and two on the lower, each is thoughtfully designed with en-suite bathrooms. The hallway also features a convenient separate toilet.
