585.000€

Fenced urban style plot for sale in Dénia. It has an area of approximately 2000m², close to the sports centre of Dénia, surrounded by urbanisations and close to the beach. It has electricity and water. The land is flat, there are many fruit trees such as apple trees, orange trees, pomegranate trees, mandarin trees and pear trees all in good condition. The plot also has two working water wells. A great opportunity to invest, as it could potentially be converted into buildable land.
