You enter the property into a vestibule with an arched access on the right into the modernised kitchen which has an integrated oven, hob, double dishwasher and microwave. Also included is a fridge freezer and washing machine. To the left is a very convenient guest cloakroom. Moving on and you enter the spacious lounge diner with a feature fireplace and patio doors leading to an elevated terrace which overlooks the garden. This is a beautiful space to enjoy meals or to relax in the sunshine.

Moving upstairs you will find 2 double bedrooms which have built in wardrobes. There is a good sized family bathroom with bath tub and overhead shower.

Steps lead up from this level to a solarium and from here you can enjoy the extended views of the mountains and countryside.

The internal space flows effortlessly and would make a perfect full time residence or lock and leave holiday home.
