

## Land til salgs i Sedella, Málaga

48.000€

Plot of about 10000 m2 situated in the countryside on about a 5-minute-drive from Sedella but in fact just a stone strip from the village. The coast can be reached within 30 minutes. This property is located in a very quiet setting with views over the hills that surround this plot, over the mountains including the Maroma and the Mediterranean. Electricity and water are nearby. The plot contains a ruine which makes it possible to construct. There is a good access road to the property. A very well-priced plot of land!
