The grounds boast a lovely garden area with mature fruit trees including fig, orange, pear, and cherry, surrounded by a hedge, creating a tranquil spot to enjoy nature. At the front of the villa, a natural stone sun terrace provides the perfect place for sunbathing and relaxing while taking in the south-facing views, which offer sun all day long. A covered arched terrace adds to the charm of the outdoor space, with a staircase leading up to a roof terrace that offers breathtaking views of the surrounding countryside.
