430.000€

Discover your dream home with us! We present a new project of modern apartments with spectacular sea views in Balcon de Finestrat, only 15 minutes from the beaches of Benidorm.

The complex is situated on a hillside, with each floor arranged in tiers, ensuring spectacular panoramic views of the Benidorm skyline as well as the Mediterranean. The apartments are available with 2 bedrooms and 2 bathrooms, and present an open plan lounge, dining area and kitchen, with large windows opening onto a spacious terrace and little garden area. The penthouse apartments have a private solarium with a pergola. The apartments include ducted A/C, white goods, underfloor heating in the bathrooms, electric blinds, a parking space and a storage room.

This is a closed residential complex, with beautiful community facilities, like gardens with local plants, palm trees, and ambient lighting, as well as an infinity pool with spectacular sea views. The pool includes a special area for children. The project is ideally located, close to the Puig Campana Golf course and 10 minutes from a large commercial area, with a selection of supermarkets, shops, bars and restaurants. The neighbouring city of Benidorm provides a selection of entertainment experiences, like dinner shows, pubs and nightclubs, as well as outdoor activities, like theme parks, various golf courses, and an infinite choice of water sports on the fabulous beaches. The N332 and AP7 motorways make it possible to visit other tourist areas of the Costa Blanca, like Altea and Calpe in the North, and Villajoyosa and Alicante in the South.
