This complex is part of a gated residential, with a community pool, gardens and pathways connecting the entire complex.

All villas include fully installed ducted hot/cold air conditioning, underfloor heating in the bathrooms, a private pool with outdoor shower, and parking on the premises. Depending on the model, certain villas include an unfinished basement, which can be customised for an additional cost.

La Finca Urbanisation is located in the heart of the Vega Baja countryside, just a few minutes away from the small town of Algorfa. It is ideal for those who want to live in a peaceful area with magnificent landscapes, breathing in fresh air from the mountains. It is a golfers paradise.

A gran variety of migratory birds and small animals have found a place between the greens and the extensive vegetation of this impressive golf course. Open air walks between orange and lemon plantations are quite pleasant. The recent opening of the Hotel La Finca Golf and Spa Resort (5*) promises a marvelous experience where you can completely relax in its new installations.
