

3 soverom Leilighet til salgs i Denia, Alicante

435.000€

New apartment complex on the 1st line with direct access to the beautiful beach in Denia. The complex consists of 3 buildings with 2- and 3-bedroom apartments and penthouses and this at close distance of supermarkets, restaurants, cafes, public transport and only 7 km from the center of Denia.

You can choose between apartments on the ground floor with a large terrace, middle floor apartments with large terrace, or the duplex penthouse with stunning sea views. The lounge, kitchen and dining area are combined into a spacious living area, which opens onto the terrace. All bedrooms include fitted wardrobes, and the master bedroom opens onto the terrace.

The views from the apartments can vary, depending on the zone they are located but the most of the apartments are in such way situated that they can enjoy sea views.

These residential complexes are well known for their beautiful communal areas where you will find large green areas, swimming pool and children area. The residential is completely private, totally enclosed and has all the comforts.

Every apartment has a private underground parking space and a storage room.
