

3 soverom Villa til salgs i Los Alcazares, Murcia

449.900€

This new promotion of semi-detached houses with a private pool consists of a total of 16 units built in two phases. They are scheduled to be delivered within a period of 18 months from the start of construction. The villas of approximately 151 m² built, are located on plots of approx. 255 m². They are distributed over two floors, plus an optional solarium. Within the plot there is the private pool (also optional) of about 6-7 x 3 m². On the ground floor there is the living-dining room with an open-plan kitchen, a guest toilet, a storage room/utility room, and a bedroom with an en-suite bathroom, as well as an exterior covered surface for parking or with the option of integrating it into the home. On the upper floor there are two more bedrooms, a hall and a shared full bathroom. In addition, there is access from one of the bedrooms to a terrace of about 43 m², whose surface acts as a cover for the parking area on the street level. The house gives the option of finishing the roof with a solarium area of about 47 m² (not included in the price). The homes are delivered finished with built-in and dressed wardrobes in the bedrooms, kitchen furniture and countertop, with sink and tap (optional appliances). Complete bathrooms with screen, toilets, taps and furniture.
