

## 2 soverom Leilighet til salgs i Guardamar del Segura, Alicante

**259.000€**

Newly built apartments located in the popular urbanization of El Raso and on the northern shore of the La Mata lagoon. This private residential complex is modern and warm with both its neutral colors and stone accents. All apartments have a terrace. Choose from a choice of ground floor apartments with private garden, a second floor apartment with a large terrace or even a Penthouse with private solarium. Enjoy large common areas including a large outdoor swimming pool, a spa and a children's park with games. An indoor garage space is included in the price of the apartment. Storage space is available at an additional cost. Realize your wishes to position yourself on a property on the Costa Blanca.
