

3 soverom Villa til salgs i San Fulgencio, Alicante

780.000€

Exclusive villa with 3 spacious bedrooms, 3 modern bathrooms, and a built area of 247 m² plus terraces. The 500 m² plot includes a private 3 x 7 meter pool and a fully finished garden. The price includes air conditioning, appliances, lighting package, a ready-to-enjoy pool and garden, as well as a basement with windows that expand usage possibilities. The property offers customization options such as expanding the built area, adjusting the layout, and choosing finishes to suit your preferences. With the structure already completed, the house is scheduled for delivery within 6 to 8 months from the contract signing. This villa combines luxury, comfort, and design in a privileged setting.
