Spacious Ground Floor Office for Sale in Ayora, Valencia

Discover this expansive ground floor office space of approximately 500m², located in the sought-after Ayora district on Calle Felipe Salvador. This versatile property includes a garage with ample parking for multiple vehicles, making it an ideal choice for a variety of business needs.

Property Features:

Layout: The office is divided into several functional areas including a reception, storage room, and office spaces

Accessibility: Dual access to two streets with motorized garage doors, ensuring ease of entry and exit

Utilities: Equipped with three-phase electricity at street level and centralized air conditioning for a comfortable working environment

Security: Features a state-of-the-art alarm system connected to the police (Prosegur) and a secure entrance door with high-security locks

Prime Location: Situated in a prime area, this office is close to the Maritim metro station, offering excellent connectivity. The surrounding neighborhood is well-served by various amenities including supermarkets, pharmacies, and a range of shops and services, ensuring convenience for your business operations.

Additional Information: This property represents an outstanding investment opportunity in a thriving district. Contact
