

Villa til salgs i Manacor, Mallorca

380.000€

Experience the epitome of Mediterranean luxury at Sunrise Bay Residences, a collection of villas nestled along the stunning coast of Mallorca.

Immerse yourself in a priceless maritime environment boasting 158 meticulously crafted villas, with an initial phase unveiling 30 attached villas.

Each residence features spacious, sunlit interiors with an open and seamless layout, inviting the outdoors in through expansive windows. Enjoy vast terraces, private gardens, and the option of a personal swimming pool.

Choose from 2, 3, or 4-bedroom villas, ranging in size up to 150 m2, all meticulously designed with the highest quality finishes and amenities for ultimate comfort.

Indulge in fully furnished kitchens equipped with top-of-the-line appliances, including a refrigerator, range hood, induction cooktop, oven-microwave combo, and dishwasher. Bathrooms are equally well-appointed with premium fixtures, shower enclosures, and faucets, while the master bath features a vanity and mirror. For added convenience and comfort, each home comes with climate control air conditioning and home automation pre-installation.

Additionally, every villa includes an outdoor parking space.
