620.000€

LAST UNIT

33 apartments and penthouses with the most modern equipment and the best qualities on the market. Just 350 meters from the beach, the project is a modern development designed by the prestigious A-cero Architectural Firm. With the ambition to become an emblem of Fuengirola, Edificio España stands out for its avant-garde architecture and design, its communal areas, gymnasium, sauna and commercial premises maintain its modern and sophisticated style.

The development's excellent location in the heart of the town, adjacent to the Plaza del Ayuntamiento, Plaza de la Constitución, Plaza España, Biopark Fuengirola and the commercial district, will guarantee you an unrivalled living experience.

A mere 5-minute walk will take you to Fuengirola's Board Walk, the longest promenade on the Costa del Sol. This impressive outdoor leisure artery is home to 7 kilometres of beach, sun and entertainment.

The renowned architecture studio A-cero, headed by Joaquín Torres and Rafael Llamazares, has created a building with a unique character that reflects an exclusive concept of quality life.

The construction's elegant and sophisticated style sets a benchmark for contemporary architecture, with every detail carefully designed to ensure a pleasant living experience in every sense.

Steel, glass, stone, wood, and ceramics were carefully selected for their quality to align with the project's philosophy.
