

2 soverom Leilighet til salgs i Mijas Costa, Málaga

369.000€

This is an exclusive residential development of 50 contemporary 2 & 3 bed apartments and penthouses due completion September 2019 that exudes style and quality. The modern design is characterised by clean lines and interior living spaces that merge seamlessly with the extensive terraces. On the crest of a highly sought after resort in Mijas Costa providing panoramic sea views, this private, gated community offers a unique lifestyle opportunity. Delivering the best of both worlds - the refined exclusivity of high-end design and amenities combined with access to on-site concierge services and resort facilities - this is the exceptional choice for Costa del Sol living.

Modern, open-plan living areas are filled with natural light, courtesy of floor-to-ceiling windows, and augmented with the highest quality finishes and materials. Privacy and security are ensured with 24-hour security and integral alarm system. The latest in home-automation technology can be tailored to your bespoke requirements, including but not limited to climate control, mood lighting, auto-blinds and TV & entertainment systems. The functional kitchen design, including a central island, is furnished with high quality appliances while the bathrooms, with high-end hydro massage showers, floating cabinets and jetted baths, provide the perfect sanctuary.
