

3 soverom Rekkehus til salgs i Olvera, Cádiz

56.500€

Algarin Vista is a good sized traditional town house for sale on a lovely street in Olvera, Spain. This home offers a good amount of space and with a low level renovation could be perfect. Ground floor has two reception rooms one currently used as a bedroom but easily adapted, possibly even open it up so the ground floor is more open plan through out. There is a functional kitchen with pantry then a bathroom fully tiled and has shower, sink and loo, a and laundry area connects from kitchen to bathroom and has access to a small patio off which there are basement rooms 'bodegas' plus a good size storage room, this area could be made really attractive with tiling and would make the ideal outdoor living space on hot summer days, good spot for a BBQ too. Upstairs you have 2 further bedrooms of good proportions one with juliet balcony and another bathroom. up the final set of stairs and this opens into another room with access to a roof terrace with lovely views to countryside and mountains plus up to the church and castle, the room at the top is ideal to convert to a terrace lounge and possibly add a kitchenette so you can prepare food and drink to enjoy on the terrace? There is on street parking and a short easy walk to all the old center has to offer. Floor Area: 160 meters Bedrooms: 3 Bathrooms: 2
