

4 soverom Villa til salgs i Estepona, Málaga

650.000€

Only one villa left! New development of 5 elegant villas situated frontline golf in the most exciting 24h security gated community on the sought after New Golden Mile, just 3 kilometres from sandy beaches. Its stunning architecture mixes the Mediterranean style with the newest and coolest tendencies in contemporary style. These luxury villas have been designed using the latest techniques to have an ecological and low maintenance building. All the qualities used are high standard, including quality marbles, woods and carpentry. There are four ample double bedrooms with built in wardrobes, three exclusive bathrooms, an open plan living-dining area with fully equipped kitchen, as well as a spectacular roof terrace featuring its own Jacuzzi and enjoying panoramic golf and mountain views. Optional extras are available. This must be viewed!
