

3 soverom Leilighet til salgs i San Pedro Alcantara, Málaga

595.000€

Amazing great quality built luxury 3 bedrooms corner apartment, very spacious classic grand design, large living room with chillout terrace overlooking the gardens and pool area, fully fitted kitchen, utility room and breakfast terrace, master bedroom with en suite bathroom and further two bedrooms, out of which one has beautiful enclosed atelier/office area. A place full of charm and style which you can enjoy immediately; perfect for either the whole year round or for holiday breaks. Thanks to its excellent orientation and architectural detailing, luminosity is the main feature in every area of this development. Water also plays an important part, creating a unique environment of sound and harmony throughout the development. The beauty of its surroundings, together with the Mediterranean climate, make this spot on the Costa del Sol an ideal place to live, whatever the time of year. It's just a stone's throw from excellent beaches where you can enjoy magnificent sunset, and is surrounded by the best golf courses in southern Europe. This development boasts an array of services and communal areas for you to enjoy. There are landscaped areas and gardens where you can relax, an outstanding swimming pool with every type of commodity and with the latest advances in security. Complex is gated with 24 hours security, within 5 minutes' drive from San Pedro de Alcantara and Puerto Banus and less than 10 minutes to beautiful village of Benahavis, gastronomy centre of Spain.
