

4 soverom Villa til salgs i Benahavis, Málaga

1.890.000€

Contemporary villa that has been inspired in the new Californian style. The house is projected from the inside out. It shows its initial structure and the materials with which it is built. The architecture emphasizes the horizontality through suspended platforms. An axis of transparency composed by the pool, the double height ceilings and the staircase, crosses the house, providing bright and spacious spaces during the day. This villa has been designed using the latest techniques to have an ecological and low maintenance building. Set on 2 levels, this spacious 4 bed ensuite villa is going to be built using only the finest materials throughout. The diaphanous floors, the transparency and the simplicity of shapes, guarantee the entrance of daylight and a good ventilation. We offer a range of designer fixtures that are the final touch to your desired new home. You can choose from an endless list of material following your taste and preference. Waking up and walking into this south facing private terrace is the best way to start another lovely day in Paradise. La Alquería is the hottest spot for luxury villas and is located next to one of the best golf courses. Enjoy the evenings on your terrace with this stunning sea views while watching the sunset.
