

2 soverom Leilighet til salgs i Villena, Alicante

185.000€

We are pleased to offer you this fantastic renovated penthouse, with a very elegant style and with great natural light as it is positioned on the front corner of the block. The house has 2 bedrooms (one single and the master with an en-suite bathroom), another bathroom with a shower, an open kitchen, a spacious living-dining room, and best of all, a large terrace with impressive views of the castle. The terrace is massive and there are options to increase the living space if required. It is located on the top floor of an 8-story building with an elevator, with only one apartment per floor. With the reform, wood-imitation porcelain flooring has been installed, smooth white walls, and some plasterboard, thermos, and city gas heating radiators, tilt-and-turn PVC windows. If you are looking to live in a large space, without neighbors above, with impressive views, and in the center of the town, this is your apartment. You also have the advantage of buying 1 or 2 parking spaces near the building.
