Exclusivity and Comfort with Sea Views

Located in a privileged setting that combines luxury and serenity, this exclusive residential complex offers a selection of apartments, penthouses, and garden homes. Designed for those seeking quality of life, each home features spacious terraces that extend the living space and allow for stunning sea views.

Each home is designed with a modern and functional layout, with two- and three-bedroom options. Large windows allow natural light to flood in, creating bright, open spaces that blend with the surroundings. The terraces, with elegant glass railings, offer a lifestyle where the indoors and outdoors blend seamlessly.

The open-plan design amplifies the feeling of spaciousness, with a living room that flows into the dining area and a fully equipped kitchen with high-end appliances. Quartz surfaces, light-toned cabinets, and a sophisticated design make the kitchen the ideal place for food lovers.

The bedrooms have been designed to provide maximum comfort, with built-in wardrobes and optimized storage space. The master suite features an elegant private bathroom, offering an additional touch of exclusivity and comfort.

All this in a location with 320 days of sunshine a year, where every sunrise is an invitation to enjoy a unique coastal lifestyle.
