New Development: Prices from 669,000 € to 2,649,000 €. [Beds: 2 - 3] [Baths: 2 - 4] [Built size: 87.00 m2 - 256.00 m2]

We will change weight for square meters, color for avant-garde architectural design, clarity for light and size for the best qualities and certified construction techniques. This development super luxury homes in the best location of our prestigious urbanization.

A new concept of housing that will make a difference. It has transformable interiors to be able to enjoy the stay in a unique space. We go beyond the classic open concept of living room, kitchen and dining table. We added the space of the main room, through sliding walls, with the aim of obtaining the greatest possible feeling of spaciousness through a greater width of the spaces. Without forgetting the guaranteed sea views, privacy, large terraces and sustainability. Homes with wide customization possibilities according to your tastes and needs. End of work scheduled for before the summer of 2024.

The common areas include everything one could wish for. Sculptural pergolas, designed main hall with the possibility of a concierge, welcoming tours through green areas, coworking area, pilates room, large gym with the latest technologies, sauna, Turkish bath, heated pool, massage room, utility room multiple, terraces with bar service, covered and uncovered solarium and large outdoor pool among others.

Official presentation of the project in the month of May, contact us for more information and visit.
