

## 10 soverom Villa til salgs i Pai Da Cana, Coruña

5.900.000€

Welcome to this luxury contemporary detached villa that will give you a serene atmosphere where the exterior panorama looks great. A family home with welcoming and functional spaces designed to pay tribute to nature in the heavenly area of Cap Cana, Punta Cana with the highest level of discretion.

The design of this villa contemplates two transverse axes that intersect in the central part of the villa and that allows a harmonious horizontal circulation, creating a harmonious environment between day and night. This one-of-a-kind property features ten bedrooms and seven bathrooms spread over two levels. The ground floor consists of the most bedrooms and hosts the lounge, main areas such as a modern kitchen, a spacious dining/living room and social areas such as a private bar, BBQ and pool areas. On the first floor the private environments alternate with common open spaces, such as a terrace, jacuzzi and terraces/balconies.

This property rewrites minimalism tropical that is appreciated in its task of uniting the interior and the exterior. Meticulously thought out to capture the essence of an exclusive, modern and peaceful residence, a way of living, personalized, intimate, elegant and natural.

With its endless beaches and excellent weather, Cap Cana is one of the most desired destinations in the entire Caribbean. Its infrastructure and design integrated into nature, have given it international prestige. A city of dreams created for those who value exclusivity and luxury of living to the fullest.

Cap Cana has all the amenities you need for a style of unique and unrepeatable life. Enjoy the best places to go fishing, playing golf, travel, yachting, polo, horse riding and sports aquatic. This added to its exclusive list of restaurants and its majestic marina, make it a class destination right in the middle of the Caribbean! Ideally situated in the heart of Cap Cana, home to the majestic Punta Espada golf course and epicenter perfectly connected to the main cities
