

3 soverom Leilighet til salgs i Guardamar del Segura, Alicante

315.000€

New development of 1 bock with 9 apartments, one per each floor, and with beautiful views to the green and the river in Guardamar del Segura, in walking distance to sea, beaches and the centre. The beautiful apartments come with 3 bedrooms (master with the dressing room), 2 bathrooms (master ensuite), a spacious living / dining room with open kitchen and a very good sized terrace with laundry room. All rooms have big windows, which makes the apartments very bright, a lot of natural light is coming in. Included in the price is pre-installation of airco and parking space outside. The building also has a lift and the development benefits a communal pool with green area. Good prices for these beautiful apartments. There are only 9, so being quick is the message. ref:NEW-EF-0045
