935.000€

This is one of our country houses in Spain, a unique property nestled in the heart of the mountains and surrounded by the natural beauty of the Malaga hinterland. Strategically located between the charming white villages of Cómpeta and Torrox, this finca is in an area renowned for having the best climate in Europe, making it an ideal choice for both year-round living and all-season getaways.

The property sits on a generous plot of approximately 7,500 m² and offers a living space of 140 m², completely renovated in a modern style that blends perfectly with the rustic surroundings. From the very first moment, the property conveys a sense of calm and privacy, enhanced by the spectacular mountain views and the harmonious integration with the surrounding landscape.

The main house has two spacious and bright bedrooms, a large bathroom with high-end finishes, an elegant living-dining room and a fully equipped kitchen, designed to meet the needs of day-to-day living or the most demanding guests. All the interior spaces have been designed with attention to detail, using quality materials and a contemporary style that brings freshness and comfort, without losing the warm essence of an Andalusian country house.

One of the great attractions of this property is undoubtedly its outdoor area. The gardens, maintained weekly, include various fruit trees and several outdoor barbecue and relaxation areas, perfect for family gatherings or quiet evenings in the middle of nature. The large private swimming pool, facing the mountainous landscape, becomes the centre of attention during the warmer months, offering an unbeatable space for relaxation and enjoyment. In addition, the property includes a fully self-contained guest flat, ideal for family, friends or as holiday accommodation. This annexe has two additional bedrooms, two full bathrooms and direct access to the outdoor areas, ensuring privacy and comfort for both owners and visitors.
