3.395.000€

Casa Blanca 3 offers a rare opportunity to own a prime plot with a fully licensed, custom-designed project by renowned architect Jorge Rincón Wong. Perfectly positioned on the prestigious Marbella Golden Mile, the property is just minutes from 5-star amenities, the beach, and the promenade.

This architectural masterpiece will feature refined design, a private pool, and expansive terraces with outdoor dining, sunbathing, and chill-out areas. A panoramic rooftop solarium with jacuzzi, BBQ, and lounge area will deliver 360° views of the sea and La Concha mountain.

Spanning three levels, the villa will include 5 en-suite bedrooms, including a luxurious master suite with a private terrace, walk-in closet, and spa-style bathroom. The open-plan main level will connect bespoke living spaces with a state-of-the-art kitchen and seamless access to the outdoors.

The lower level is designed for leisure and wellness, complete with an entertainment lounge, custom bar, cinema area, gym, pilates room, and a private spa with sauna, jacuzzi, and massage room. Casa Blanca 3 is a visionary blend of design, comfort, and location—ideal for luxury living in Marbella.
